

- Koren namesake of SME Young Engineer Award.

Yoram Koren has been selected by both the SME Board of Directors and the International Awards & Recognition Committee as the **namesake** of the 2017 SME Outstanding Young Manufacturing Engineer Award. Establishing a namesake for this award honors an individual for their lifelong contributions to manufacturing, their commitment to serving as a role model and motivator for young engineers, and for their long-term active involvement in SME. This is a distinguished honor!

The 17 recipients of the 2017 SME **Yoram Koren Outstanding Young Manufacturing Engineer Award** will be honored at official SME events throughout the year.
